PADRE'S PATCH

Patchers gathered together last Saturday to create walking paths throughout the garden and a revised watering system to conserve water and save time for volunteers. The raised beds are flourishing, and the compost is enriching the soil with valuable nutrients. It's never too late to join in the fun and discipleship at the Patch! Just look at the beautiful improvements parishioners have made—from the main entrance and Our Lady of Knock Shrine to the rose beds and beyond through the "Adopt a Spot" initiative. See Sandy's contact information in this bulletin to get involved.

"For where two or three are gathered in my name, there am I in the midst of them." Matthew 18:20

If you are able to help, please call Sandy at 859-620-3215 for availability.

ORDINARY TIME, WHAT IS IT?

Ordinary Time is the longest season in the Catholic liturgical year, spanning the weeks outside of Advent, Christmas, Lent, and Easter. It is a time devoted to growing in the everyday life of Christ through the Gospel readings proclaimed on Sundays. Rather than being "ordinary" in the sense of unimportant, it is a season of steady spiritual growth and discipleship. Here is an article reflecting on Ordinary Time by John T. Kyler from U.S. Catholic.

"In the Catholic church, the season of Ordinary Time consists of 33 or 34 weeks and is divided into two parts. The Roman Missal – Third Edition instructs that Ordinary Time 'begins on the Monday following the Sunday after January 6 and continues until the beginning of Lent; it begins again on the Monday after Pentecost Sunday and ends on the Saturday before the First Sunday of Advent.' Prior to the liturgical reforms of the Second Vatican Council, these periods on the calendar were referred to as "the season after Epiphany" and the "the season after Pentecost." Although Ordinary Time takes place in two parts, it is still considered a single season.

It is easy to mistakenly think the liturgical year is about sanctifying time. The truth, however, is that the liturgical year is about growing in relationship with Jesus Christ. The richness of Ordinary Time is found in the opportunity to know Christ more intimately in the everyday realities of life. The gospel readings proclaimed on these Sundays reveals the teaching and healing and mission of Christ, allowing us to better understand God who became human. We learn that Christ is about humility rather than pride, vulnerability rather than power. We learn that Christ is about including the excluded, eating with social and religious outcasts, and dismantling structures of sin and injustice. We learn that Christ is about self-giving love that is only possible through authentic relationship. Ordinary Time is anything but monotonous. It is a time of conversion where we grow into who we are called to be by imitating the lived reality of Jesus."
